

ISOT PROGRAM CHANGES

OUR APOLOGIES:

TO OSMIC ENTERPRISES – THEIR COMPANY DESCRIPTION WAS INADVERTENTLY LEFT OUT OF THE PROGRAM BOOK AND IS AS FOLLOWS:

Osmic Enterprises, Inc. produces and distributes the OLFACT™ Test Battery, a series of computerized tests to assess olfactory function. Tests include a threshold test, an identification test, and a discrimination test. Stimuli are generated via a miniaturized olfactometer, with administration of the tests and recording of responses under computer control. *Booth Representatives: Lloyd Hastings, Tracy Wilson and Bruce Johnson*

To **Shoba Thirumangalathu**, whose last name was spelled incorrectly under the Polak Awards in the Program Book.

To **Ivan de Araujo**, whose affiliation was listed incorrectly under the Ajinomoto Award in the Program Book. His correct affiliation is the John B. Pierce Laboratory.

TUESDAY, JULY 22, 2008

The following presenters are out of numerical order in the Program Book on Tuesday morning:

Pages 22-23 – Slide Session: From Receptors to Modulation of the CNS

John Laughlin – Page 22

Joel Mainland – Page 22

Judith Van Houten – Page 22

David Marks – Page 22

John Cave – Page 22

Kathryn Hamilton – Page 23

WORKSHOP ROOM CHANGE:

The Workshop: Ligand-Binding Properties of Taste and Smell Receptors has been moved to Board Room A. The workshop is open to attendees with limited seating.

MINORITY AWARDEES LUNCHEON

The Minority Awardees Luncheon was incorrectly listed in the Program in Detail as being held on Wednesday, July 23. It is listed correctly in the Program at a Glance and the Visual Program as follows:

Tuesday, July 22, 2008

11:45 - 1:00 pm MINORITY/CLINICAL AWARDEES LUNCHEON (Invitation Only)

Marina Room

PROGRAM CHANGES

TUESDAY, JULY 22, 2008 (continued)

DETAILED SCHEDULE AND FACULTY INFORMATION FOR THE INDUSTRY SYMPOSIUM:

Taste and Smell in Translation: Application from basic research

Recent basic science advances with potential application in industry

Grand Ballroom C

- 1:30 pm INTRODUCTION - Taste and Smell in Translation
Michael Meredith, Ph.D.,
Neuroscience, Florida State University, Tallahassee FL, USA
- 1:35 pm TASTE: Molecular Biology - Recent advances in gustation: from basic to applied research
Wolfgang Meyerhof, Ph.D.
Molecular Genetics, German Institute for Human Nutrition, Potsdam-Rehbrueke, GERMANY
- 2:10 pm OLFACTION: Molecular Biology - "The origin of variation in human olfactory perception"
Leslie Vosshall, Ph.D.
Neurogenetics and Behavior, Rockefeller University, New York NY, USA
- 2:45 - 3:00pm Break - Grand Foyer
- 3:00 pm OLFACTION: Perception/ Psychophysics - Odor Perception and the search for meaning
William Cain, Ph.D.,
Chemosensory Perception, UCSD, San Diego CA, USA
- 3:35 pm TASTE: Perception/ Psychophysics - Recent Research on Human Responses to Tastes
John Prescott, Ph.D.,
Psychology, University of Newcastle, Ourimbah AUSTRALIA
- 4:10 pm - 4:40pm ROUNDTABLE DISCUSSION
- 4:50 pm - 6:15 pm INDUSTRY RECEPTION AND BUFFET (Hospitality Room, Ticket holders only)
*An opportunity for industry scientists to network and interact with basic scientists including the distinguished speakers from the symposium.
Buffet included with ticket.*

WITHDRAWN POSTERS:

P#37 Poster Session I: Tues July 22

ODORANT-INDUCED CHANGES IN OLFACTORY RECEPTOR MRNA EXPRESSION IN SOCKEYE SALMON (ONCORHYNCHUS NERKA) AFTER IMPRINTING.

#P47 Poster Session I: Tues July 22

GENOMIC EFFECTS OF UNILATERAL NARIS OCCLUSION ON THE OLFACTORY SYSTEM: A PRELIMINARY MICROARRAY APPROACH

INCORRECT POSTER TITLE IN PROGRAM BOOK:

Page 35: #P53 is incorrectly titled "Introduction." The correct title is: ADVANCED TIME-SERIES ANALYSIS OF MEG DATA AS A METHOD TO EXPLORE OLFACTORY FUNCTION IN HEALTHY CONTROLS AND PARKINSON'S DISEASE PATIENTS

PROGRAM CHANGES

WEDNESDAY, JULY 23, 2008

WITHDRAWN POSTER:

#P162 Poster Session II: Wed. July 23

CUED AND UNCUED ODOR IDENTIFICATION AND NAMING TESTS ELICIT QUALITATIVELY DIFFERENT TESTING APPROACHES

WITHDRAWN POSTER:

#P171 Poster Session II: Wed. July 23

PHYSIOLOGICAL CHARACTERIZATION OF UMAMI RECEPTOR AND THE G PROTEIN IN MOUSE TASTE CELLS

RESCHEDULED POSTER:

NEWS IN EPIDEMIOLOGY OF OLFACTORY DYSFUNCTION has been rescheduled FROM Poster session IV: Fri. July 25 TO Poster Board 119 on Wednesday, July 23, 2008

THURSDAY, JULY 24, 2008

REVISED LECTURE/SPEAKER SCHEDULE - Thursday, July 24 - Grand Ballroom B

8:00 - 10:15 SYMPOSIUM - CHEMICAL SENSES AND LONGEVITY

08:00 #85 Overview and Introduction - Linda Buck

08:05 #87 Signaling Proteins That Regulate NaCl Taste Sensitivity Modulate Longevity In C. Elegans - Gert Jansen

08:30 #88 Modulation Of Drosophila Longevity Through Olfaction - Scott D Pletcher

08:55 #89 Foxo Transcription Factors: Central Sensors of Environmental Stimuli That Regulate Longevity - Anne Brunet

9:20 #90 A High Throughput Screen For Chemicals That Delay Aging In Caenorhabditis Elegans - Linda Buck

9:50 #86 Integration Of Food And Reproductive Signals In Lifespan Determination Of Caenorhabditis Elegans - Cynthia Kenyon

REVISED SPEAKER SCHEDULE - Thursday, July 24 - 7:30 pm - Grand Ballroom A

ACHEMS PRESIDENTIAL SYMPOSIUM

Geoffrey Schoenbaum will no longer be presenting the "Beyond the Olfactory Bulb. Neural Responses to Odeor Cues in Awake, Behaving Rats" lecture.
